

## 2008 Summit Showdown

The 2008 Showdown has gone down and The Rotary Club of Summit County has crowned a new tournament champion. 105 people played poker on Feb. 16th from 6P.M. until midnight and all had a great time. But only one earned the right to advance to the Denver finals in April and hopefully continue on to the World Series of Poker in Las Vegas in July.

2008 Tournament Champion is Snake River Fireman Chris Nelson
